

## Big Girls Do It

\*\*\*Enjoy all four of the Big Girls Do It stories in one volume, with special expanded scenes available only in this collection!\*\*\*~Big Girls Do It BetterGorgeous, rock-star guys like Chase Delany dont go for girls like me. They go for supermodels and actresses, skinny-girls who never eat and spend all day working out. Im not that girl. So when he locked his fiery brown eyes on me for the first time, I couldnt quite believe it was really happening to me. It was the second night I spent with him that Ill never forget. ~Big Girls Do It WetterChase went to New York...without me. It was only one night, one delicious, sinful night, but it awakened something within me, and now, with him gone, I have no one to satiate my sudden, ferocious hunger. Then I woke up one day and looked at someone near and dear to me in a whole new light. And my world was rocked once again.~Big Girls Do It WilderIm going. Going to New York City to be with gorgeous, mysterious, rockstar Chase Delany seemed like a crazy dream, a fantasy come true. The bright lights and music, and his tight, sexy leather pants called to me...and I answered. Chase might want more and I just might give it to him, if I could only forget what I started with Jeff back in Detroit.I thought I had my love life all figured out, I thought I knew what I wanted, and then things went and changed on me all over again...~Big Girls Do It On TopI fled New York with my heart breaking and a million questions. Foremost in my mind was whether Jeff would even see me after the colossal mess that New York turned out to be. I discovered the answer, but that only spawned even more questions, many of the yes or no variety...\*\* These erotic romance novellas are for adults only! Contains super hot, one-on-one sex between two great characters.\*\*
