

Big Sky Baby (Mills & Boon Silhouette) (Silhouette Special Edition)

Best friends for life and love After five years, Jeff Forsythe was finally back in Rumor, Montana just when Jilly Davis needed him most. But she had no intention of clipping the wings of the footloose pilot just because she was having a baby. Even if her childhood pal was arousing feelings that had nothing to do with friendship. Freedom at all costs those were the rules Jeff lived by. Until he came home to find his best buddy all grown up, pregnant and sexier than he'd ever remembered. Suddenly this irresistible mom-to-be tempted him to trim his wings and put down roots in Rumor. Wasn't that what friends were for?
