

## Big Sky Family (Mills & Boon Love Inspired)

Single mom Ellie James has returned to Montana for a fresh start and a new job at a local school. She sure could use the support of hometown rancher Arnie O'Brien, especially when she faces the opportunity to step up as director. But this cowboy still holds a grudge from when Ellie left him behind eight years ago. Can Arnie trust God's plan and take a second chance on the girl who got away? He and Ellie will have to put aside the past to face the future together.
