

Caught on Camera (Black Towers Book 1)

Forgotten starlet Georgia Evans is finally back in the spotlight when a naked romp with her ex goes viral. Not the kind of publicity she was hoping for, particularly when it brings up memories she'd rather forget. And catches the attention of someone unexpected. Despite having his pick of projects, heartthrob Cole Anderson stuns Hollywood by turning down a new blockbuster in favor of a web serial, of all things. But only if Georgia gets the female lead. She needs the money; he needs a chance to apologize and maybe get reacquainted with the one who got away. But life in the limelight often reveals things best kept hidden, and Georgia has a secret that may force her to choose between the career she's trying to rebuild and the man she's learning to love all over again.
