

Surrender (Mills & Boon Vintage Desire)

PRENUPTIAL AGREEMENT Aimee Lawrence had thought the day Peter Gallagher proposed would be the happiest of her life. But when he insisted she sign a prenuptial agreement, Aimee was made painfully aware that he didn't think he believed in love. Short of saying yes to this preposterous proposal, what was she supposed to do? HAPPILY EVER AFTER Getting married to Aimee would be the perfect arrangement for once-burned Peter - if only she signed one little piece of paper. He kept telling himself his reasons for wanting to wed the woman had nothing to do with love - no matter how irresistible she was .
