

Blessed Assurance: Whispers of Love/Lost in His Love/Echoes of Mercy (Avon Inspire)

In Whispers of Love, Civil War widow Jessie Wagstaff must fend for herself and her son. When a stranger, Lee Smith, befriends Jessies son, even though she recognizes nine-year-old Lincs need for a father figure, shes reluctant to let a new man into their life. When the Great Chicago Fire blazes, every heart is pushed to its limits. In Lost In His Love, Jessies son Linc, a social activist and reporter, charms his way through the upper class of San Francisco to build much-needed support for his fight against child labor. His main target is Cecilia Jackson, a beautiful heiress who doesnt recognize the crucial part she plays in this dangerous exploitation. As the secrets of her familys dark past are exposed, Cecilia must revive her own wounded spirit and find the strength to lean on the never-failing love of Christ. But when the 1906 earthquake hits, everyones faith will be put to the test. In Echoes of Mercy, Meg Wagstaff challenges the racial barriers of 1920s New Orleans in order to prove that her childhood friend did not commit murder. The stubborn lawyer prosecuting the case, Gabriel St. Clair, is an authentic Southern gentleman who makes the mistake of underestimating Meg, both her tenacity and her charm. Despite their many differences, sparks begin to fly. But when Meg discovers the truth, will Gabe be able to protect her from those who cant afford to have justice prevail?
