

## Blindfold Vol. 2: Alpha Billionaire Romance

Presenting Vol. 2 of Blindfold, the brand new bestselling erotic romance series from MS Parker and Cassie Wild. I knew it wasn't my fault that my boss, Isadora Lang, had gone missing. I was just her assistant, not her bodyguard. Why, then, did I feel so guilty? Right, because I'd been fooling around with her older brother, Ash, when she'd been taken. Worst mistake of my life. When heiress Isadora Lang disappears from her house, her brother Ashford is convinced that she's been kidnapped. The police, however, do not believe him. They think she just left on her own. As more time passes, it becomes clear that something isn't right. Be sure to check out the second sizzling installment from M.S. Parker and Cassie Wild's Blindfold series.
