

On Fire (Shadow Stalkers Book 4)

From Sylvia Day, the #1 New York Times bestselling author of the Crossfire novels, comes *On Fire*, a novella of the Shadow Stalkers--where its futile to resist arrest or the power of a man with a badge. Just surrender. After all, you look so good in handcuffs...Every time she opened her mouth, his mind went straight into the gutter...When Deputy US Marshal Jared Cameron started investigating a series of arson attacks in the small seaside town of Lions Bay, he had no idea that the biggest blast of heat would come from the fire inspector. Her name was Darcy Michaels--and if there was anyone that Jared wanted to get down and sweaty with, it was Darcy. Darcy knew what she was bringing out in Jared. In fact, she liked it. She reveled in making his dirty dreams come true. Stripped down for a scorching after-hours affair, Jared was her fantasy, too. A hard-driving man who knew exactly what to do to please her. But as hot as their nights were, they had no idea just how wild it was going to get. Because Darcy has a secret. And a past. And its drawing them right into the flames...
