

Phoenix Reborn (Phoenix Series Book 2)

Find out what happens to Beth after the flames... (Sequel to Phoenix of the Heart) Beth Lynn faces the new season of her life with courage. Despite a devastating loss, she's determined to embrace the future supported by Scott's love - a love that endures. However, her best friend Angie hides a terrible truth that will test their special bond and Glenn, Scott's longtime friend, holds a challenging secret of his own. A phoenix by nature, Beth unknowingly runs headlong into the flames, having stirred the wrath of Lucas - a man whose abusive past will ruin them both. The rage he carries runs deep, and she must depend on Glenn to shield her from the firestorm she's created. Will it be enough? For you see, a Phoenix is destined to be consumed by the flames.
