

## Blood Wyne: Otherworld, Book 9

Were the DArtigo sisters: half-human, half-Fae. Were sexy, were savvy, and we just turned in our badges to the Otherworld Intelligence Agency. My sister Camille is a wicked-good witch. Delilahs a werecat and blossoming Death Maiden. And as for me? Im Menolly, acrobat-extraordinaire-turned-vampire. But being a vamp isnt all its cracked up to be, especially when the Godfather of all vampires decides to play Prince Charming... Its the holiday season, and a vampire serial killer is on the loose. Hungry ghosts are tearing up the town, and people are running scared. I strike a deal with Ivana Krask - one of the Elder Fae - and, too late, discover strings are attached. But when I turn to Roman, one of the oldest, most powerful vampires around, for help, he offers me more than I ever bargained for.
