Ray Stedman shows you how to recapture the vigor and authenticity of the early church's radical body of enthusiastic believers who spread the Word of God throughout the world! This book is considered a classic by many and brings you challenging questions that make Body Life both personal and practical. Body Life is a groundbreaking book inspiring churches and disciples to return to New Testament Christianity. Using principles from Romans 12, 1 Corinthians 12, and Ephesians 4, Stedman helps you discover the dynamic purpose of the church and the exciting role you have to play in the body of Christ.
