CALLIE BLAKE CANT AFFORD TO FALL IN LOVE She's too busy helping her family survive the Depression. When she returns home to their Missouri farm, she sees her childhood crush, Trace Gentry, and it stirs up old dreams she tries hard to ignore. Trace is kind, handsome and wealthy. He'd never be interested in a poor girl like her would he? Successful businessman Trace is crazy about Callie, and he knows she thinks she's not good enough for him. But he's clueless how to woo her. Until he devises a plan that will prove his love to Callie and make all her dreams come true.
