

A Golden Voice: How Faith, Hard Work, and Humility Brought Me from the Streets to Salvation

Here is YouTube sensation Ted Williams memoir of addiction, homelessness, and unlikely redemption, cowritten by number-one New York Times best-selling author Bret Witter. Ted Williams was panhandling in December 2010 when a passerby taped him and posted a clip of his gorgeous radio voice on YouTube. The video went viral, and overnight, launched him-the homeless man with a golden voice-into the hearts of millions. Since then, millions have heard pieces of his story: his successful radio career, his crack addiction, his multiple arrests, and his heartbreaking relationship with his 90-year-old mother. But in *A Golden Voice*, Ted Williams finally puts all the pieces together to give an unforgettable, searingly honest account of life on the streets. Nothing is held back, as Williams takes the listener through prostitution, theft, crack houses, and homeless shelters in a search, ultimately, for redemption and hope. Along the way, we see his relationship with his long-term girlfriend, Kathy, grow into an unlikely and inspiring love story, and we hear the Golden Voice of God lead Ted from the selfishness of crime to the humility of the street corner-almost a year before he was discovered on that highway entrance ramp. But this memoir isn't just an exploration of wrongs and a once-in-a-lifetime chance to give homelessness a voice. It is a deeply American, from-the-heart comeback story about the power of hope, faith, and personal responsibility. With the innate charisma that has won him millions of fans, Ted Williams proves that no one, no matter how degraded, is too lost for a second chance.
