

Hearts Duo (Ugly Eternity) (Volume 4)

What began as a half-baked scheme to help his brother win the man of his dreams has become a tailspin Joss cant escape. His actions and secrets have kept him from making any real claim on the woman who captured his attention years ago. But secrets have a way of coming to light. Maddox has known from almost the beginning Joss has been playing games with his life. What he doesnt realize is how deep the mans deception runs. When Cade and Dylans wedding reception brings everyone together in one place, the entire story is revealed with a little help from Benton. And Hell hath no fury like a man with nothing left to lose. The implosion Joss has braced for has finally come to pass, changing everything forever. With Jamie and Hawke in another country, enjoying their happily ever after, Maddox is about to teach Joss a valuable lesson in toying with other peoples lives. What happens when bad decisions, manipulations, good intentions, and misunderstandings combine? Its an Ugly Eternity.
