

2nd Edition: 4s Company (Agency of Extraordinary Mates) (Agency of Extraordinary Mates Multi-Author Book 11)

Trina Davis has found the man of her dreams... well, men of her dreams. Roar, Bayoh, and Talh are everything she ever wanted. They're kind, considerate, treat her like a queen, and great in bed. The only problem? They're the Alpha Triad from a mythical tribe called the Manani, a group of shifter cats. While things were great on the magical island she'd met them on, they now expect her to rule at their side as the Alpha female of their tribe. The Manani believe they have good reasons to hate humans. Trina soon discovers that she has enemies who will stop at nothing to get rid of her. The more she tries to fix things on her own, the more trouble she finds herself in. To top things off, a rift begins to grow between her and the men she loves. When the situation goes from bad to worse, can Trina swallow her pride and turn to her men for help? 4 Angels! Eve Vaughn's Agency of Extraordinary Mates: 4s Company is a feast for the senses, especially if you like your men smoking hot and your sex even more so. -- Michelle, Fallen Angel Reviews 4 Stars! The multi-partner love scenes are smoking hot and the chemistry among this foursome is wonderful, from tender to explosive. -- Patrice Storie, Just Erotic Romance Reviews Eve Vaughn is an author that writes such incredible stories that involve not only your imagination but also your emotions, and I cannot resist anything she writes. Another fantastic book for my collection and one that you should get as well. -- Sheryl at ECATA ROMANCE
