

Draupadi A Woman of Rare Love. (Monthly Journal Book 1)

As among men Krishna baffles our understanding, so does Draupadi among women. And how the critics look at Draupadi says more about the critics themselves than about Draupadi. What we see in others is only a reflection; others only serve as mirrors to us. We see in others only that which we want to see; in fact, we see what we are. We do nothing but project ourselves on the world. It is difficult to understand Draupadi. But our difficulty does not come from this great woman, it really emanates from us. Our ideas and beliefs, our desires and hopes come in our way of understanding Draupadi.
