

Face the Fire (Three Sisters Island Book 3)

In the conclusion to her acclaimed Three Sisters Island trilogy, #1 New York Times bestselling author Nora Roberts masterfully evokes the quaint charm of New England, weaving a spellbinding tale of true love and sheer magic. Mia Devlin knows what it's like to love with your whole heart and then watch your love walk away. Years ago, she and Sam Logan shared an incredible bond built on passion, legend, and fate. But then one day he fled Three Sisters Island, leaving her lost in memories of the magic they shared and determined to live on her own. As the new owner of the islands only hotel, Sam has returned to Three Sisters with hopes of winning back Mia's affections. He is puzzled when she greets him with icy indifference for the chemistry between them is still sizzling and true. Angry, hurt, and deeply confused, Mia refuses to admit that a desire for Sam still burns in her heart. But she'll need his help and his power to face her greatest, most terrifying challenge. And as the deadline for breaking a centuries-old curse draws near, they must take the first step toward destiny and come together to turn back the dark. Don't miss the other books in the #1 New York Times bestselling Three Sisters Island trilogy: *Dance Upon the Air*, *Heaven and Earth*.
