

Forget Me Not: A Novel (Crossroads Crisis Center)

THEIR ELUSIVE ENEMIES TOOK EVERYTHING. NOW THEY WANT MORE. Crossroads Crisis Center owner Benjamin Brandt was a content man in his faith, his work, and his family. Then in a flash, everything he loved was snatched away. His wife and son were murdered, and grief-stricken Ben lost faith. Determination to find their killers keeps him going, but after three years of dead ends and torment, his hope is dying too. Why had he survived? He failed to protect his family. Now, a mysterious woman appears at Crossroads seeking answers and help a victim who eerily resembles Ben's deceased wife, Susan. A woman robbed of her identity, her life, of everything except her faith and Susan's necklace. The connections between the two women mount, exceeding coincidence, and to keep the truth hidden, someone is willing to kill. Finding out who and why turns Ben and the mystery woman's situation from dangerous to deadly. Their only hope for survival is to work together, trust each other, and face whatever they discover head on, no matter how painful. But will that be enough to save their lives and heal their tattered hearts? From the Trade Paperback edition.
