

Vision In White (Bride Quartet, Book 1)

#1 New York Times bestselling author Nora Roberts presents a novel of love, friendship, and family in Book One in the Bride Quartet. Wedding photographer Mackensie Mac Elliot is most at home behind the camera, but her focus is shattered moments before an important wedding rehearsal when she bumps into the bride-to-be's brother...an encounter that has them both seeing stars. A stable, safe English teacher, Carter Maguire is definitely not Mac's type. But a casual fling might be just what she needs to take her mind off bridezillas. Of course, casual flings can turn into something more when you least expect it. And Mac will have to turn to her three best friends-and business partners-to see her way to her own happy ending.
