

The Story of Gods Love for You, Anglicised Edition

every story whispers his name Its an adventure story about a young Hero who comes from a far country to win back his lost treasure. Its a love story about a brave Prince who leaves his palace, his throne everything to rescue the one he loves. Its like the most wonderful of fairy tales that has come true in real life! You see, the best thing about this Story is its true. And at the center of the Story, there is a baby. The Child upon whom everything would depend. All the stars and mountains and the oceans and galaxies and everything were nothing compared to how much God loved his children. He would move heaven and earth to be near them. Always. Whatever happened, whatever it cost him, he would always love them. And so it was that the wonderful love story began from The Story of Gods Love for You (originally published as The Jesus Storybook Bible)
