

Nora Roberts Born Trilogy: Born in Fire, Born in Ice, Born in Shame (Born In Trilogy)

BORN IN FIRE Maggie Concannon is a glassmaker whose exquisite works are more than mere objects of beauty: they are reflections of her own true nature. One man has seen the soul in her art, and vows to help this complex woman build a lucrative career. When gallery owner Rogan Sweeney comes to Maggie's isolated studio, her heart is enflamed by their fierce attraction - and her scarred past is slowly healed by a gentle and forgiving love.

BORN IN ICE When the harsh storms of winter descend upon western Ireland, the locals stay indoors - and visitors stay away. Brianna Concannon's bed-and-breakfast becomes a cold and empty place. And that's fine with Brianna. She enjoys the peace and quiet, even when icy winds howl at her window. This year, though, she's expecting an unusual guest - mystery writer Grayson Thane - from America. A restless wanderer with a dark past, he plans to spend the cold winter alone. Yet sometimes fate has a plan of its own. Sometimes a fire can be born in ice ...

BORN IN SHAME Shannon Bodine is a talented graphic artist whose life revolves around her job at a prestigious New York advertising agency. Her world is turned upside down when she learns the identity of her real father: Thomas Concannon. Respecting her late mother's wish, Shannon travels, however reluctantly, to County Clare. There, her loneliness and shame melt away in the embrace of the family she never knew existed. And amid the lush Irish landscape, steeped in mysticism and legend, she discovers the possibility of a love that is meant to be.
