

Born in Shame (Irish Born Trilogy)

Born in Shame is the third novel in the trilogy of three modern sisters bound by the timeless beauty of Ireland from #1 New York Times bestselling author Nora Roberts. Shannon Bodine's life revolves around her job as a graphic artist at a New York ad agency. But her world turns upside down when she learns the identity of her real father: Thomas Concannon. Obeying her late mother's wishes, Shannon reluctantly travels to County Clare. There, amid the lush landscape steeped in legend, she meets her half sisters and their families, but she's wary of opening her heart to them or to their charming neighbor Murphy Muldoon, a successful farmer and horse breeder with a romantic streak that can turn the most trite sentiment into poetry. Soon, his striking good looks and unpretentious ways have Shannon discovering the possibility of a love that was meant to be.
