

## Heat of the Night (Silhouette Desire #314)

BREATHLESS ~ In the heat of the night, trapped in a jungle in South America, Melanie took a deep breath. She encountered various obstacles on her journey through Columbia, but mudslides and earthquakes were nothing compared to Justin Drake. Justin was forbidden fruit. He was a friend of the family, a lifelong big brother. Yet the mere touch of his lips against Melanies skin evoked a new hunger, a strange longing. He taught her about the love between a man and a woman ... a love wild and untamed. Suddenly civilization was much too close --- and Melanie knew it would ruin everything.
