

Playing With You (Riding Tall)

Ricki Sparks knows she can make a mean red velvet cake but cant believe shes let herself be talked into a blind date. When she opens the door to see the man shes been secretly sweet on since the first day he walked into her bakery, she fears her heart will be demolished. At least she knows shes in for a wild ride. With a past like his, private investigator Garrett McBride doesnt feel hes worthy of a good womans love. Especially not Ricki, the sweet, beautiful baker. But its not just her delectable baked goods that keep him coming back and it isnt long before he admits to himself that he wants her for his own. He never suspects that the greatest danger to her may come not from himself, but from the deceitful woman Ricki has befriended. Love may not be the only thing Ricki falls into along the way as she finds herself in a world of deceit and betrayal that may cost her life. While Ricki is fighting for her life, Garrett must find her, before its too late.
