

## Loris Little Secret (Bravo Family Series Book 15)

Rumor had it that Lori Lee Billingworth's son was the result of a one-night stand. Little did attorney Tucker Bravo know that he was the man involved. For Lori Lee and her twin sister had traded places on prom night, and nobody--but Lori--knew that she had her dream night with the boy she'd loved forever....Tucker knew he had feelings for his long-ago girlfriend's twin, and he adored her son. But once he learned the unbelievable--that the boy was his--his world came to a crashing halt. He was full of resentment for the trickery that made him a father, yet felt overwhelming love for the innocent child caught in this charade. But not for the woman who tricked him. Because that would be inconceivable...wouldn't it?
