

Break Through: When to Give In, How to Push Back

Well, he does have a good side. You know, its probably my fault. Shes had a rough life. I need to cut her some slack. When you really care about someone, its easy to get stuck in painful, even destructive patterns - caving in to a spouses manipulation, ignoring a live-at-home sons irresponsibility, not confronting a friends addiction. We excuse people again and again, and then kick ourselves for not setting better boundaries. But this important audiobook, with its transformational tools from leading Christian counselor Tim Clinton and noted author Pat Springle, will guide you in not only breaking through to better relationships but making big changes for the better. With their expert principles for learning to say yes when you want to and no when you need to, youll discover how to give up your need to please, rescue, fix, or control anyone else. Leave others unrealistic expectations behind. Speak the hard truth to those who have hurt you. And exchange harmful relationship habits for healthy ones. Here is the expert advice you need for knowing when to give in and how to push back for the best life you can have with the people you love most.
