

Breaking Bailey S Rules (Westmoreland)

In New York Times bestselling author Brenda Jackson's novel, a Westmoreland learns that rules are meant to be broken! Rule number one for Bailey Westmoreland: never fall for a man who would take her away from her tight-knit family's Colorado home. So why is she following rancher Walker Rafferty all the way to Alaska? Bailey tells herself she owes the sexy loner an apology, and once she gets there, it's only right to stay and help him when he's injured isn't it? Before long, Bailey realizes home might be where you make it if Walker is ready to take all she has to offer.
