

Comfort and Joy (Twins)

Two years after Hurricane Katrina destroyed everything Gabriel Brant and his twin sons had, it seems as if he's still struggling to move on. Coming home to his dad's for Christmas-to stay-is not what he had in mind for his life. This is it: no more charity. Especially not from small-town do-gooder Olivia Marshall, who wants to heal him. The last thing he needs right now is the interference of his boys' soft-hearted teacher. Or her pity. Love...? That's a whole other story.
