

Breathless: Charlie

Charlie Fitzsimmons brings Maddie from New York to the place he calls home in New Zealand. Admittedly, he wasn't in Manhattan cruising for a piece of ass. He was there to stand up as a groomsman at his younger brother's wedding. Once Jake was safely hitched to his perfect match, Britt, Charlie set about vandalizing the grooms' getaway car. In the process, he had got to talking with his date, Madalyn Falkner. It just felt right, good and exciting at the same time, to proposition her that way, to ask her to come back to Auckland with him. Will their love blossom? Only time will tell.
