

Broken and Screwed

When Alexandras older brother dies the night of his graduation, it changes everything for her. No longer is she the party girl. No longer does she care about being popular, and no longer is her family the happy unit she always thought existed. The only person who can help her heal is the same person who loved her brother as much as she did, his best friend. She only hopes to keep her heart from breaking when Jesse moves on, and she knows he will. After Ethan dies, Jesse focuses on basketball, partying, and girls. He uses it all to turn his emotions off, but the irony is that Alex is the only person who can do that for him. She helps him forget, but she is the one person he shouldn't be with, because the secrets he knows could shatter everything. They could shatter her. Contains mature themes.
