

Broken Open (Hurley Brothers Book 2)

Beyond passion. And beyond their control. Five years ago, Tuesday Eastwood's life collapsed and left her devastated. After an empty, nomadic existence, she's finally pieced her life back together in the small Oregon town of Hood River. Now Tuesday has everything sorted out. Just so long as men are kept for sex, and only sex. Then she met him. Musician and rancher Ezra Hurley isn't the man of Tuesday's dreams. He's a verboten fantasy man tortured by past addictions whose dark charisma and long, lean body promise delicious carnality. But this craving goes far beyond chemistry. It's primal. It's insatiable. And it won't be satisfied until they're both consumed, body and soul.
