Lane Duke, game designer and mogul, is carving the edge of his companys most advanced release just days away. Excitement and tension are jacked tight. The future is wide open. Until he sees his past rise out of the Pacific in a barely there bikini, and 12 years disappear in a blink. Luz De Luna doesnt want to dig up the past and Lane is her past with a capital P. Newly divorced, shes returned to San Clemente to bury some ghosts, but its hard to move on when the path to personal redemption is blocked by the one man who wont forgive and she cant forget.
