

Sayings of the Buddha: A Daybook

~SAYINGS OF THE BUDDHA: A DAYBOOK~ Revised Translation by Paul Smith from the Translation from the Pali of F. Max Muller From ancient times to now, the Dhammapada (Gospel or Sayings of the Buddha) has been regarded as the most succinct expression of the Buddhas teaching and the chief spiritual testament of early Buddhism. In the countries following Buddhism, the influence of the Dhammapada is immeasurable. It is a guidebook and now a Daybook for resolving problems of everyday life, and a primer for the instruction in the wisdom of understanding. The admiration the Dhammapada has elicited has not been confined to followers of Buddhism. Wherever it has become known, its moral earnestness, realistic understanding of human life, wisdom and stirring message of a way to freedom from suffering have won for it the devotion and veneration of those responsive to the good and the true. 366 wise and enlightened sayings. Introduction. 379 pages. COMMENTS ON PAUL SMITHS TRANSLATION OF HAFIZS DIVAN. It is not a joke... the English version of ALL the ghazals of Hafiz is a great feat and of paramount importance.
