

Caridad Pineiro Bundle: Darkness Calls//Danger Calls//Temptation Calls

3 exciting paranormal stories from popular author Caridad Pineiro: Darkness Calls, Danger Calls and Temptation Calls. Darkness Calls Falling prey to passion. FBI agent Diana Reyes knew too much about the darkness of the human soul. She had spiraled into that underworld once before--and vowed never to fall again. Until she met him. Powerful, dangerous and the key to catching a psychotic killer, Ryder Latimer was everything she couldn't have--and everything she wanted. He haunted her nights, shattered her reserve and made her feel...more than she ever had before. But once she learned his secret, would his sensual promises of eternal love be enough to garner her forgiveness? For Ryder was more than a lover of the night...he was a vampire. Danger Calls One night was all it could ever be...because Dr. Melissa Danvers was a vampire's keeper. Honor-bound to repay the man who'd always been there for her, Melissa hoped the 140-year-old immortal could uncover the mystery surrounding her parents' deaths. Complicating her mission was Sebastian Reyes, the young, sexy entrepreneur whose wild lovemaking left her sated, yet burning for more. One night of passion with the beautiful healer would haunt Sebastian the rest of his life. Now Melissa needed his computer expertise to unravel a crime and stay one step ahead of a desperate killer. Sebastian was strictly a no-strings-attached guy. Until danger and desire delivered him to the one woman his soul couldn't forget. Temptation Calls As lives went, both of hers had sucked. At least when it came to the opposite sex. So New York City vampire Samantha Turner vowed to spend her immortal life protecting the helpless and shielding herself from the violence of men's passions. Then she met NYPD detective Peter Daly. His lust for life, for justice -- for her -- was a temptation she couldn't deny. It was enough to lure her out of the darkness and into his embrace, for a

little while, enough to make her trust him when an old evil reemerged. But would it be enough when she at last revealed her true nature?
