

Hometown Sweetheart (Mills & Boon Love Inspired)

Seven unruly kids have moved next door to Simon Adamss mountain cabin. On a church retreat, these rambunctious rascals and their perky teacher, Shanna White, prove to be too much for one reclusive craftsman to handle. Plus, theyre a big reminder of everything Simon lost, especially his chance for marriage and family. All he wants is to be left alone, but soon hes drawn in by the kids shenanigans and by Shanna herself. Can a brooding mountain man and a sweet lady live happily ever after?
