

Just Another Day in Paradise (Mills & Boon Vintage Intrigue) (Redstone Incorporated series)

For single mom Paige Cooper, a job with Redstone, Incorporated, meant a new life. But soon after she settled into her new home, her serenity was shattered when she was abducted by vicious terrorists. Her only hope of rescue was Noah Rider. The man who had once stolen her heart with one soul-searing kiss Noah was on a mission to protect all that he held dear in particular, his beautiful new employee. With Paige in danger, suddenly the bachelor no woman could ever claim was ready to lay down his life for one. Could it be the rugged lone wolf was in love?
