After a childhood spent moving from army base to army base, independent-minded Nettie Brooms is determined to secure a stable life and never become involved with a military man. Then she meets incredibly handsome and charming Ashton Sinclair, a dedicated colonel in the U.S. Marines who is intent on capturing her heart no matter what it takes. Now Nettie is wondering how a man she swore she would avoid could so easily test her resolve by igniting an irresistible passion she can't walk away from.
