

The Soldier and the Rose

From the Greatest Generation, a love story to remember... Two soldiers march off to war in Europe. Both from the same neighborhood in Brooklyn, NY. Only one returns home. Rose Kaufmans grief is soul deep. Her husband, Joe, had been her one true love, so right for her that a lifetime together wouldnt be enough. When Charlie Shapiro shows up with stories of Joe--eager to rebuild his war-shattered life with Rose and her baby daughter--she warns that a marriage of convenience would be unfair--to him. She cannot promise her heart to this kind and gentle man. Through the years, Charlie wonders if love can grow or if hell always be second best. Who is her true love? The man she married with all her heart, or the man who married her with all of his? Its a question only Rose can answer.
