

We Are Sisters Devotional Journal

Adult sister, more than adult brothers, long to overcome childhood hurts and rivalries and become close. Sisters in Christ have the same desire. But compatibility sometimes takes work. In this sequel to the bestselling *Friendships of Women*, author and speaker Dee Brestin addresses issues of contention between women. Using lessons from sisters in the Bible, such as Rachel and Leah or the spiritual sisters in the Song of Songs, Dee will help individuals or small groups of women as they strive to live in harmony with one another. Includes a readers guide for discussion and reflection.
