

## The Yuletide Child (Expecting!)

The birth of a Christmas baby Dylan was thrilled when, within a few weeks, handsome Ross Jefferson met and married her. But marrying Ross meant that Dylan abandoned her career, friends and the bright lights of the city. It also brought an unexpected pregnancy. Suddenly Dylan found her previously passionate husband was holding her at arms length, and he seemed to prefer the vivacious wife of his best friend. Christmas was coming and Dylan had to get away. But her car skidded. She was stranded in a blizzard and she was about to have her baby. Now she needed Ross more than ever.
