

How Times Change (A Billionaire BWWM BBW Romance Book 1)

Jade is a happy curvy African American woman, but she's not a fan of weddings. So when her father's ex-wife Eve ties the knot, Jade is counting the minutes until she gets to leave. That is until she sees Lucas; Eve's son and her nerdy housemate for a year or so. But times have changed. Lucas is no longer the tall skinny geek she used to call Gnat, but instead a handsome bachelor with a heavenly smile and a body worth dying for! Oh yes, and did I mention he's now a billionaire? Join the two as they get to re-know each other and feelings are revealed. A BBW BWWM romance story by Cher Etan, get your copy now. Warning: Contains scenes of an adult nature. Please only read if you're comfortable reading about a BBW getting pleased extensively by a handsome alpha male.
