

Walking with God: Talk to Him. Hear from Him. Really.

Let John Eldredge be your personal guide through his year of walking with God. In the book *Walking with God*, John Eldredge shows us what an intimate relationship with God looks like day to day. God longs to speak, and it is our right and privilege to hear His voice. Yet, somehow, the looming discontent of most Christians is a lack of conversational intimacy with God. In this *Walking with God* DVD, which acts as a companion to the book, John takes us into an even deeper intimacy with God. In 12 messages that embellish key sections of the book, John offers insights for deepening our bond with God. He speaks directly to your small group with suggestions for discussion and ways to help one another on this journey. Join him as he guides us through a journey that leads to an intense conversation with our Creator. The *Walking with God* DVD once again proves that walking intimately with Him is a normal and essential part of the Christian life.
