

Caged: The Mastered Series

In the searing fourth novel in the Mastered Series, following *Unraveled*, only one woman can set a hardened fighter free from his past. In order to survive a life of tragedy, Deacon McConnell embraced his roughest edges and learned to fight on the streets. Then a life-changing jujitsu seminar led by Sensei Ronin Black led Deacon to become a professional fighter. With his muscular physique and his body covered in tattoos and scars, the MMA fighter defines mean, both on and off the mat. But everything changes when innocent Molly Calloway signs up for his kickboxing class. Molly is Deacon's opposite in every way: she's kind, sweet, thoughtful, and educated. After a heated argument between them turns into a passionate encounter, Deacon realizes Molly is eager to experience more, and she looks to him to take her to the darker edge of lust.... The last thing either of them expects is how deeply their lives will be thrown upside down by the passion they find together.
