

April (Calendar Girl)

Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason Mace Murphy the next it pitcher for the Boston Red Sox and my client. Hes immature, arrogant, sexy as sin, and the last man thats going to get into my panties. Hes not used to hearing the word no from women, so Im going to spell it out for him. N = Not going to happen. O = Out of your league buddy. I was hired to cuddle up to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only hes everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes hes Gods gift to women, a man-whore, throws money around like it grows on trees, and conceited. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs.***Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the Calendar Girl Serial will feature Mias journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.
