

Calhoun (Long, Tall Texans series)

LONG, TALL AND BLIND? Abby Clark was sick of being treated like a child. Sure, she may have been just a girl when she came to live with Calhoun Ballenger and his brother, but she had long since grown up and it was time Calhoun realized it. So she devised a plan to prove her independence and capture his attention. But Abby's scheme backfired. She was far from the worldly women Calhoun usually spent time with, and his protective streak only seemed to intensify. How could she make him acknowledge his feelings for her without getting burned in the process?
