

## A Man of Honor

He survived combat...but will he fight for love? Former Army Captain and venture capitalist Preston Guthrie has always had a thing for Cat Kingston, but he never felt like he could date his best friend's sister. Plus, he's a wrong-side-of-the-tracks guy and she's a white-picket-fence kind of woman. Yet when they met again just before he was deployed, sparks flew. A fire ignited. And the heat washed out. For the first time, he thought a relationship with her might be possible...until an injury in the war changed everything... Journalist Cat Kingston had a rough couple of years, surviving a broken engagement and the loss of her job. But connecting with Preston last fall seemed right. They shared steamy Skype sessions while he was overseas-until he was wounded, and cut her off without explanation. Now he's back in town to be the Best Man for her sister's wedding...and she wants answers. Preston's struggling with a leg wound, but the war scarred him on the inside, too. When Cat pays him a surprise visit and her brother catches them in a compromising position, Preston tells her they're dating. He's not sure how he can spend the entire wedding week fake-dating her when the chemistry between them feels anything but...
