

Conversations on Trust [With Earbuds] (Playaway Adult Nonfiction)

This is a special live and impromptu recording between Dr. Stephen R. Covey, best-selling author of *The 7 Habits of Highly Effective People*, and his son, best-selling author of *The Speed of Trust*, Stephen M.R. Covey: *A Conversation on Trust*. Just like the ripples caused by throwing a pebble in a pond, trust begins within each of us personally, continues into all of our relationships, expands into our organization, extends into our marketplace relationships, and ultimately encompasses our global society at large.
