

Captain K and the Bearded Man Boy

Right now you are reading this with some hope that you will find out more about what this book could possibly be about. I hate to say it, but you might have to read it to find out. Besides, with a freaking super killer awesome book cover like this who wouldnt want to read such outrageously sweet sweetness? I know I would. It looks pretty epic if you ask me. This book is dedicated to a dog that will forever be missed.P. A. Douglas is the author of several novels, novellas, and short stories. He lives in South East, Texas with his wife and replacement dog, Jake the Dog.
