

Gentlemen Prefer Nerds

Self-professed nerd Maddie Maloney is an expert on jewels. Jewel thieves are another matter entirely! So when a mysterious Englishman warns her that a thief known as The Chameleon is after the rare pink diamond on display in her aunts shop, she tells herself its just a joke. Even if she cant get Mr. Tall, Dark and Handsome out of her mind.... But Fabian Montgomery doesnt give up easily. Hes everywhere she goes, convinced the thief will strike. And when the diamond does go missing - and Maddie is suspected of stealing it - he whisks her away from the police and together they pursue The Chameleon. Fabian plunges her into a glamorous world far from her humble workshop and transforms geeky Maddie into a sophisticated siren capable of espionage. Her mission: to seduce The Chameleon and steal back the diamond. But Fabian isnt telling her everything - like who he works for, and why hes so interested in The Chameleon....
