

## California Demon: The Secret Life of a Demon-Hunting Soccer Mom (Sound Library)

Welcome to San Diablo. The perfect place to raise a couple of kids and a lot of Hell. Especially if you're Kate Connor, retired demon hunter. Now, after fourteen years busting her tail as a suburban housewife, raising two kids, and supporting her husband's political ambitions, she's rejoined the workforce...well, secretly, at least. Between fending off demon attacks, trying to figure out why the mysterious new teacher at the high school seems so strangely familiar, and keeping a watchful eye on her daughters growing infatuation with a surfer dude, Kate is the busiest-and most dangerous-soccer mom on the block.
